Vascular Medicine

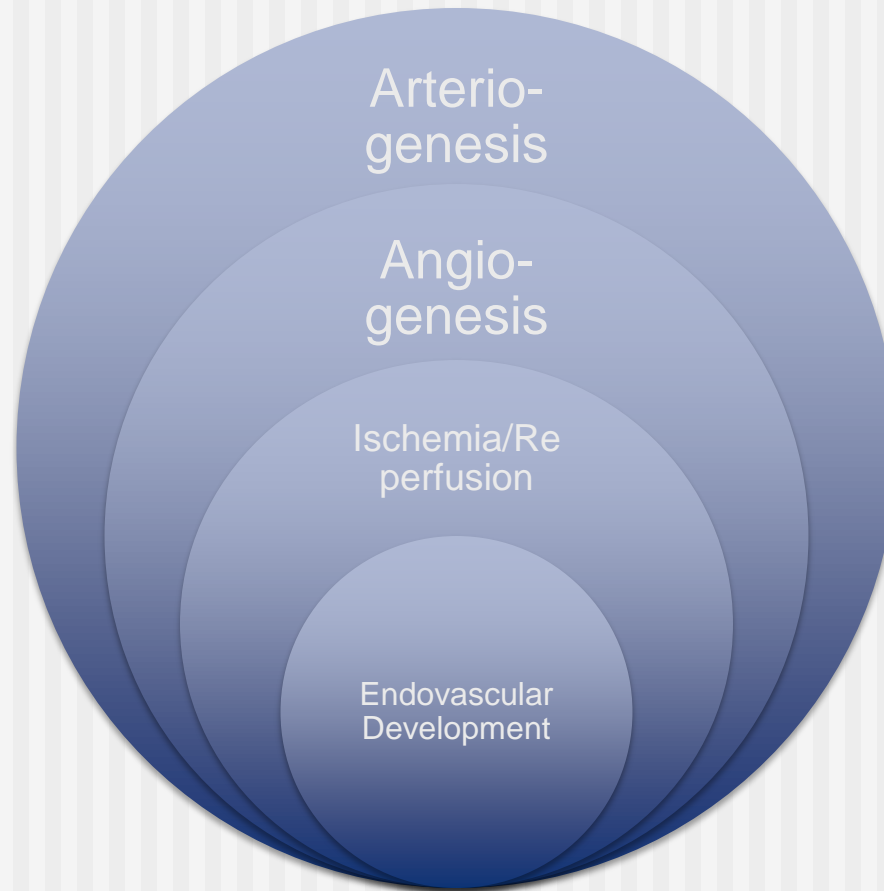

Vascular Biology

Vascular Biology

- Exchange Program for 3 Fellows
 - Postgraduate Training
 - PhD like program
 - 2 – 3 years including language

Translational Research

Translational Research

- Exchange Program for 2 Fellows
 - Postgraduate Training
 - PhD like program
 - 2 – 3 years including language
- Cooperation with UAEU
 - Multicenter Trials (Germany – Emirates)

Preclinical Training in Virtual Reality

Endovascular
Surgery
Simulation

- Basic, Advanced, Special Courses
- Masterclass

Ultrasonography
Simulation

- Emergency Course
- Special Course

Preclinical Training

- Visiting Fellowships for 4 weeks in Germany
- Training courses in UAEU

Clinical Training

arterial

- vascular
- endovascular

venous

- vascular
- endovascular

Wound
healing

- management
- Advanced techniques

Clinical Training
